## Our Little Princess helps out other Little Princesses

### Kimberlee's fantastic fundraising

Kimberlee had her very long hair cut at the Inflatables Event on 3rd July in aid of Little Princess Trust because she thinks what they do is really great and wanted to help children who are facing challenging circumstances.

All in all, Kimberlee raised a whopping £1,380.10. This was through her charity hair cut and her Just Giving page and also the amount was bolstered by our whole school impromptu World Cup tag day. Her mum's friend—who is a hairdresser—cut her hair.

She feels happy about raising all that money as it is a sweet thing to do. Kimberlee is leaving at the end of this term and is moving to Africa. She is very excited about this and will hopefully keep in touch with us to share her adventures.

### Award Winning Reading

Our school won the School Literacy Award on June 10th 2018. We won it for developing reading comprehension strategies for children with English as a second or additional language.

The award was called The Kent Literary Award. About 12 schools from around Kent were awarded prizes for different aspects of literacy.

Mr Macdonald, Mrs Mason and Mrs White, our Chair of Governors, attended the gala presentation evening on behalf of the school. It was an inspiring evening and they all felt very proud of the work of the school. Mr Macdonald said, 'We listened to the speakers and Terry Waite spoke to all the schools represented.'

### Time Travel Hits

### Brompton-Westbrook

Year 2 had a Victorian Day to experience what it would be like living in Victorian times. The children dressed up and were separated with boys and girls going into different classes. They learned the alphabet, used a chalk board, learned times tables and sang songs.

The children enjoyed it and so did the parents!

# Sports Day Review

On 6th July, Brompton Westbrook hosted Sports Day. The venue was at Medway Park. Years 1-6 walked down there in a calm manner. It started at 09.45. Each team began at their allocated station. The activities started at 09.55.

This was the schedule for teams:

Hop, skip, jump, Javelin, Over and Under, Tunnel Ball, Hockey Dribbling, Egg and Spoon, Skipping, Bean Bags (all with 2 toilet breaks in between!)

Next were the sprints—which started at 11.00am. Every sprint was between 8 people, not mixed (only boys and girls.) Afterwards were the mixed relays.

There were awards presented at the end.

Red team won the sporting cup; green won the overall cup. The day ended with a joyful picnic
