

Children's Newsletter

Term 4

Welcome to Brompton-Westbrook Primary School's Term 4 Children's Newsletter. This Term in SEAL we have been learning about why it's 'Good to be me.' Our school value is optimism. The teachers, yet again, have been pushing the students to achieve their best potential.

FS1 and FS2

This term FS1 and FS2 have been learning about people who help us. This includes doctors and others who work in the ambulance. During the week, the emergency services came to visit them and as a sign of appreciation, they wrote thank you letters to them. FS1 and FS2 also re-enacted what would happen during a doctor's surgery. In Maths, they did measuring, Molly in FS2 said "I enjoy Maths, because it helps us with our learning".

Year 1

In class, they have been learning about different plants and artists. Year 1 are learning about shapes like pentagon and triangles in maths. Aksha said, “I enjoy big maths because the questions challenge us.” Year 1 have also been learning about castles. When we visited them they were fascinated with the bridges and arrow loops.

Zacharias said, “I love the gates on the castles because the enemy can’t get in!”

Thea said “I am really fascinated in the arrow loops because you can shoot at enemies without being noticed!”

Year 2

Children in year 2 have been focusing on fantastic Florence Nightingale. They have also learnt about: Mary Seacole; joining up their writing; artists and plants. Riley, in year 2 has stated, “My favourite subject in school is maths because in mind sprint we do division and multiplication.”

Year 3&4

This term in Year 3 and 4, they have learnt about Technology. During Maths, they started telling analogue and digital time. For P.E, they made a fun gymnastic routine to up their skills. Sakinah, year 4 has said “I really enjoy maths, because in Year 4 we learnt about perimeter.” Year 3 & 4 are also getting ready for their production which will take place on 29th of March.

Year 5&6

In year 5&6, they have been learning about volcanoes and tectonic plates in Geography. They have also been learning about Mexicans and how they live. Year 6 alone have many tests appearing in the Curriculum, but, there are loads upcoming event like PGL. They have also had the royal engineers museum in to help with a bridge building exercise.

Shaina, Year 5 explained “In maths we have been learning about multiplying mixed numbers by whole numbers.”

Jessica, in year 6, stated “My favourite subject is English, because I want to be an author.

Forest School

Forest school have been learning about: fire rules, nature, building fences, bow and arrow making, bird watching and fire making ect.

Megan in year 5 explained “I have enjoyed forest school because we get to explore wonderful things in nature.”

The Bird Box

Brompton-Westbrook have been looking at a bird box that is in the junior playground; it has a camera in there so we can see the birds that visit. Every morning we have had a visitor checking the bird box to make sure it is safe. On Wednesday there were two visitors putting moss in the box and scattering it all over the place!

Rights Respecting School

As you may know a very nice man called Paul came into the school to interview some people. Paul came in to see if this school was ready for a level 1 for Rights Respecting School. We were very proud when we heard that we achieved our goal. Now we have completed level 1 Mrs Marie and some students are working towards the whole school achieving level 2. This is what Mrs Marie has to say about it.

“The children loved learning about their rights and the convention of the right of the child. They also learnt about global citizens etc... All the students here at Brompton-Westbrook appreciate that we are fortunate enough to access all of our rights where as some places people cannot access all their rights. Our school contributes to a charity called Unicef. This charity helps people to access their rights.”
