Dear Parents

## Contact Books

We pride ourselves on our communication with parents and children in Reception. This year, it has been announced that we are being moderated. This means that a visitor to the school will be monitoring the judgements that staff in Year R make to ensure that they are accurate. Part of the process is to check that communication is good between teachers and parents. Please make sure that you write in your child's contact book to record your child's reading or any other comments that you would like to make.

Once again, we appreciate your ongoing support and will inform you via the school newsletter about the outcome of moderation.

Regards

FS Team
