					equipment.
Medway Park Sports day	To provide children with an Olympic legacy running track so they can have real life experiences	Costs for Medway Park hire Cost of medals, certificates, PE t-shirts, trophies, equipment to plan and deliver a high quality sports day.	£50.70 for trophies £35 Medway park £94.50 Certificates £150 approx for PE t-shirts £105 Sports Day equipment	Leaflets Flyers Certificates Trophies Medals	The school sports funding has enabled the school to buy PE t-shirts for each child. This ensures all children will all look smart and in team colours. It has also enabled the school to introduce new awards/trophies for achievement in relay and individual races. Finally, the funding has given the school the opportunity to hold sports day on Medway Park running track (instead of the school field), allowing the children to gain real life experience of using a running track.
Additional PE sessions and equipment to enable all children to develop healthy and active	To provide an opportunity for children who need extra support to further develop their PE skills (strength and balance). To enable all children to	Paying for a specialist teacher to lead sports events focussing on developing strength and balancing skills TA's to go on motor skills	£240 for equipment for Motor Skills Group and Sensory Circuit. £52 physical equipment for AEN children	Letters to parents Confirmation of booking Feedback forms from pupils Assessment notes from	Will support the children to develop their strength and balancing skills which will have an impact on the children's performance and

<p>lifestyles (including children with additional needs)</p>	<p>develop healthy and active lifestyles, particularly those children that are physically less active.</p> <p>Source coaches capable of delivering these events</p> <p>Interventions in place for the children to access e.g. fine and gross motor skills groups in FS and sensory circuit in KS1</p> <p>To provide sporting opportunities for children to engage and be successful this year in an attempt to raise their self-esteem.</p>	<p>training</p> <p>PE equipment bought for lunchtime use</p> <p>Equipment for fine motor skills group for nurture group, FS and KS1</p>	<p>£190 for fine motor resources</p> <p>£243 to purchase fine motor resources to create 4 clever finger boxes for nurture, nursery, reception and KS1</p>	<p>TA delivering sensory circuit, highlighting the improvements the children have made.</p>	<p>progression in PE.</p> <p>Will provide an opportunity for the children who are physically less active to take part in sporting games, this will keep them physically active every day.</p> <p>Will provide sporting opportunities for children (with challenging behaviour when faced with academic tasks but thrive when participating in sporting activities) to engage and be successful this year in an attempt to raise their self-esteem.</p>
<p>Advanced swimming lessons for 5/6 G&T children</p>	<p>To provide G&T children with high quality swimming sessions enabling them to further develop their swimming skills to enable them to reach their full potential.</p>	<p>Paying for an additional specialist swimming instructor to deliver high quality swimming sessions that are planned and delivered at a high standard, working hard to increase the quality of the learning and standards of our G and T children.</p>	<p>£428.50 cost of an additional swimming coach, synchronized swimming coach and the hire of the diving pool.</p>	<p>Invoice Feedback from children/teachers</p>	<p>Will enable G&T children attending to learn and further progress in swimming.</p>

How will ensure sustainable improvement? We will evaluate the impact of the Sports Premium funding at the end of each academic year. We will identify how well we have used our Sports Premium funding to inspire our community through monitoring of a wealth of physical opportunities, monitoring the involvement in sport related activities and by measuring the performance levels of all of our children. Measuring the impact of the experiences provided through the Sports Premium funding can be achieved in a variety of ways. We will focus on the children's self-esteem and confidence levels as well as monitoring the numbers of children involved in sporting activities in and out of school. Assessments are made both formally and informally. Feedback from staff, children and families will support the progress we have made. It is anticipated that at the end of the year we will have some measurable data to show the impact of Sports Premium funding on pupil progress and involvement in sport.

Through my monitoring, as PE leader, it is evident that the progress of children in PE is improving with an increase in children that achieved the expected or exceeding level in PE, across all year groups. With the statutory requirements of the new National Curriculum it is vital that this progress continues on an upward trend and I will ensure that staff are supported as required. We will work hard to ensure the sporting activities that have taken place this year (which have had a greater impact on the children's overall physical development - both fine and gross motor) will continue in the next academic year. We will also ensure there are a range of courses available for our teachers to partake in to further develop their teaching and the school PE equipment is regularly monitored and updated.
