

Special Educational Needs Information

*At Brompton-Westbrook Primary School we strive to support **all** children to enable them to achieve.*

AIMS

We want:

Our children to be engaged and inspired by a rich and varied curriculum to prepare them for a successful future

Our staff to seek continuous self-improvement and put the children first

Our governors and community to grasp opportunities to help us achieve it

VALUES

Respect – be considerate to all others

Responsibility - be someone people can depend on

Recognition – appreciate what others do for you

Co-operation – work together for the good of everyone

Optimism – look on the bright side and keep on keeping on

Enthusiasm – be eager to do your best

Trust – believe in the reliability and strength of others

The Inclusion Team consists of:

Mrs Karen Price (AHT Personalised Learning)

Miss Amy Morrison (SENCO)

Mrs Karen Liddle (Family Liaison Officer-FLO)

Mrs Linda Grogan (Teaching Assistant)

Mrs Nicola Johnson (Teaching Assistant)

Mrs Lisa Miles (Teaching Assistant)

Miss Jayne Ralph (Teaching Assistant)

Mrs Elke Terry (Pastoral Assistant)

Miss Lucy Scott (Pastoral Assistant)

Roles & Responsibilities of the Inclusion Team.

Mrs Karen Price (AHT Personalised Learning)

As AHT Personalised Learning I am responsible for the operation of the Special Educational Needs Policy and co-ordination of specific provision made to support individual children with AEN.

I also liaise with staff to monitor the pupil progress and plan further interventions when required.

I regularly have contact with a wide range of external agencies that are able to give more specialised advice.

Other AHT Personalised Learning responsibilities can be seen in the new Special Educational Needs Code of Practice (http://www.schooljotter.com/files/Brompton-Westbrooks/SEN_Code_of_Practice.pdf).

Please be aware that this is the most current Code of Practice which is the Department for Education Indicative Draft.

Mrs Amy Prentice (Personalised Learning Leader)

If a pupil is not progressing as expected Mrs Prentice may carry out a range of assessments in order to identify any potential problems.

These include:

The Primary SEN Dyslexia and Dyslexia Screening Test – Used to test children who may have dyslexia or dyscalculia following concerns raised by class teachers or parents.

The British Picture Vocabulary Scale (BPVS)

To look at the child's internal language – the words they know & understand. We use this test if we are concerned about a child's comprehension skills. Also used as part of a package of tests if there have been concerns about a child's lack of progress or a parent has raised a concern.

Aston Index

This package of tests is used to indicate any issues a child may have with any of the following:

Spoken language
Reading & Spelling
Laterality
Visual Discrimination
Fine Motor Control
Auditory Memory

Neale Analysis of Reading Ability

This is used if we are concerned about a child's ability to read & comprehend text.
This test is also used by the EAL Co-ordinator.

Non-Verbal Reasoning Test.

Used to ascertain a child's ability where there may be a problem with the child's language.

Speechlink

Used to test a child if there is a concern raised regarding spoken language.

Mrs Karen Liddle (FLO- Family Liaison Officer)

I am the Family Liaison Officer (FLO) at Brompton-Westbrook Primary School.

I aim to provide links between school staff, families, pupils and external services in a supportive, friendly and professional manner to enrich school and home life for our children and families.

I endeavour to help children achieve by helping them to overcome barriers to learning, be that working on friendship difficulties, attendance, or self-esteem problems, through to family worries such as bereavement, relationship changes and other challenges.

There are many AEN terms that are abbreviated which can lead to confusion (even for us!)

Below is a glossary of the most used SEN terms.

AAP	Attendance Advisory Practitioner
ADD	Attention Deficit Disorder
AFL	Assessment for Learning
ADHD	Attention Deficit & Hyperactivity Disorder
AHT	Assistant Head Teacher
ASD	Autistic Spectrum Disorder
BESD	Behavioural Emotional & Social Difficulties
CAF	Common Assessment Framework
CAMHS	Child & Adolescent Mental Health Service
COP	Code of Practice
CP	Child Protection
DCD	Developmental Co-ordination Disorder
EAL	English as an Additional Language
EP	Educational Psychologist
FSM	Free School Meals
HI	Hearing Impairment
IEP	Individual Education Plan
ISR	In School Review
KS	Key Stage
LAC	Looked After Child
LEA	Local Education Authority
MLD	Moderate Learning Difficulty
NC	National Curriculum
OT	Occupational Therapist
PLP	Personalised Learning Plan
PT	Precision Teaching
SaLT	Speech & Language Therapy
SEN	Special Educational Needs
SEND	Special Educational Needs & Disability
AHT PERSONALISED LEARNING	Special Educational Needs Co-ordinator
SpLD	Specific Learning Difficulty
VI	Visual Impairment

Current SEN Updates

What is Pupil Premium?

The Pupil Premium was introduced in April 2011 and is allocated to schools to work with pupils who have been registered for free school meals at any point in the last six years (known as 'Ever 6 FSM'). Schools also receive funding for children who have been looked after continuously for more than six months, and children of service personnel.

Why has it been introduced?

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

Who decides on how the money is spent?

In most cases the Pupil Premium is paid direct to schools, allocated to them for every pupil who receives free school meals. Schools decide how to use the funding, as they are best placed to assess what their pupils need.

How are schools accountable for the spending of Pupil Premium?

They are held accountable for the decisions they make through:

- the performance tables which show the performance of disadvantaged pupils compared with their peers.
- the new Ofsted inspection framework, under which inspectors focus on the attainment of pupil groups, in particular those who attract the Pupil Premium.

Children and Families Bill 2013

The Children and Families Bill takes forward the Coalition Government's commitments to improve services for vulnerable children and support strong families. It underpins wider reforms to ensure that all children and young people can succeed, no matter what their background. The Bill will reform the systems for adoption, looked after children, family justice and special educational needs.

The Government is transforming the system for children and young people with special educational needs (SEN), including those who are disabled, so that services consistently support the best outcomes for them. The Bill will extend the SEN system from birth to 25, giving children, young people and their parents/carers greater control and choice in decisions and ensuring needs are properly met.

It takes forward the reform programme set out in *Support and aspiration: A new approach to special educational needs and disability: Progress and next steps* by:

- replacing statements and learning difficulty assessments with a new birth- to-25 Education, Health and Care Plan, extending rights and protections to young people in further education and training and offering families personal budgets so that they have more control over the support they need;
- improving cooperation between all the services that support children and their families and particularly requiring local authorities and health authorities to work together;
- requiring local authorities to involve children, young people and parents in reviewing and developing provision for those with special educational needs and to publish a 'local offer' of support.

What is the Local Offer?

- The Local Offer was first introduced in the Green Paper (March 2011) as *a local offer of all services available to support disabled children and children with SEN and their families. This easy to understand information will set out what is normally available in schools to help children with lower-level SEN as well as the options available to support families who need additional help to care for their child.*

What will it do?

- The Medway framework will allow the Local Offer to provide parents/carers with information about how to access services in their area, and what they can expect from those services. With regard to Education, it will let parents/ carers and young people know how school and colleges will support them, and what they can expect across the local settings. During the last year, the Local Offer Steering Group has developed questions for schools, and trialled them with a small number of settings.

- There are 14 questions, *devised in consultation with parents/carers and other agencies*, which reflect their concerns and interests. These will be answered by agencies, schools and colleges to provide information to parents and carers to enable them to make decisions about how to best support their child's needs.

Below are Brompton-Westbrook School's responses to these questions.

1. How does Brompton-Westbrook Primary School know if children need extra help?

We know when pupils need help if:

- concerns are raised by parents/carers, staff, other agencies or the pupil's previous school
- there is lack of progress as shown through assessments, work scrutiny and development
- there is a change in the pupil's behaviour
- a pupil or parent/ carer asks for help

What should I do if I think my child may have special educational needs?

- If you have concerns then contact your child's teacher or Mrs Price (our AHT for Personalised learning) who will refer to appropriate agencies

2. How will I know how Brompton-Westbrook Primary School supports my child?

- Each pupil's learning is planned by the class teacher. Planning will be differentiated accordingly to suit pupil's individual needs. This may include additional general support by the teacher or teaching assistant in class.
- If a pupil has needs related to more specific areas of their education, such as spelling, handwriting, numeracy & literacy skills etc. then the pupil will be placed in a small focus group or receive precision teaching. This will be planned by the teacher and delivered by the teaching assistant. The length of time of the intervention will vary according to need but will generally be for a term. The interventions will be regularly reviewed by all involved to ascertain the effectiveness of the provision and to inform future planning.
- These interventions will be recorded on the cohort provision map (this is a record of the interventions and timings). If you have any queries related to the interventions please do not hesitate to contact the class teacher or AHT Personalised Learning .
- Pupil Progress Meetings are held each term. This is a meeting where the phase leader meets with the Head teacher and AHT to discuss the progress of the pupils in their phase. This shared discussion highlights any problems in order for further support to be planned via the provision map and amend and review pupil's targets.
- Occasionally a pupil may need more expert support form an outside agency. This is discussed at In-School Review / AEN clinics/ professionals meeting/CAF. Referral forms are then completed in conjunction with parents/carers and forwarded to the most appropriate agency.
- In a support and challenge role, the Governors ensure that the school is as inclusive as possible and treats all children and staff in an equitable way. They monitor and review the accessibility plan and all other statutory policies as defined by the DfE

3. How will the curriculum be matched to my child's needs?

- Curriculum planning is shared between staff to cater for the range of needs and abilities within the class, and learning opportunities are planned to meet a range of learning styles
- Assessment for Learning takes place in all lessons to ensure that pupil need is being identified, addressed and plans are adapted in the moment to develop learning
- Feedback may include 'closing the gap' activity work to address individual or group gaps / misconceptions in learning
- When a pupil has been identified with special needs their work will be differentiated by the class teacher to enable them to access the curriculum more easily.

- Teaching Assistants may be allocated to work with the pupil in a 1-1 or small focus group mostly within the classroom to target more specific needs
- If appropriate and in consultation with other agencies, specialist equipment may be given to the pupil e.g. writing slopes, concentration cushions, pen/pencils grips or easy to use scissors

4. How will I know how my child is doing?

- You will be able to discuss your child's progress at Parents' evenings
- Your child's class teacher will usually be at the door at the end of each day if you wish to raise a concern. Appointments can be made to speak in more detail to the class teacher or AHT Personalised Learning by visiting the school office
- You will receive an annual written report in Term 6 which will give you feedback on your child's learning, progress and specific needs
- Personalised Learning Plans are shared with parents, often through CAF and other meetings. Targets are usually set by the class teacher and are monitored by AEN staff. Parents/carers are welcome to contribute to these plans

How will you help me to support my child's learning?

- Every child is expected to complete homework which takes the form of weekly spellings and mental maths activities (tested in class) and termly topic work
- The class teacher may suggest ways of supporting your child's learning at parents' evening, other meetings and through homework activities
- Mrs Price, the AHT Personalised Learning or Mrs Prentice, the Personalised Learning teacher may meet with you to discuss how to support your child
- Staff may meet with you to discuss strategies to use if there are problems with a child's behaviour/emotional needs
- Ideas can be exchanged with other parents at homework club. Attendance to this is usually by invitation but any parent is welcome. If you wish to find out more about this contact Mrs Liddle
- Sometimes outside agencies may provide reports and strategies for parents to use with their children. We encourage parents to share this work with staff
- Parent/carer workshops are arranged throughout the year to encourage an open and relaxed forum where advice and ideas can be exchanged
- The school regularly publicises local parent events organised by other agencies and will signpost to appropriate support
- Parents of children who have received support from the inclusions team are invited to complete annual evaluations to help us further develop our services

5. What support will there be for my child's overall well-being?

- The school offers a wide variety of pastoral support for children and families
- Members of staff such as the class teacher, teaching assistants, students and volunteers AHT Personalised Learning and FLO are readily available for pupils who wish to discuss issues and concerns
- Children can access personalised support for their wellbeing through 1-1 and small group support, provided by members of staff
- Pupils who find lunchtimes a struggle are able to join the Lunchtime Club run by the inclusion team. Fun games and activities are made available to help provide the pupils with social skills to enable them to form friendships
- Staff are trained and supported to manage children with different needs
- Therapeutic support will be offered in consultation with parents and will be provided through private counsellors

Pupils with medical needs

- On entry to school, pupils with medical needs complete a detailed Health Care Plan with a member of the office staff in consultation with parents/carers. These are shared with all staff who are involved with the pupil. These are all updated annually
- Staff are trained in use of epipens, asthma medication, childhood illnesses and allergies.
- Where necessary and in agreement with parents/carers medicines are administered in school. Parents must complete the appropriate documentation and at least two members of staff administer the medication
- If a child's medical needs require monitoring or further investigation the school nurse is available to support

6. What specialist services and expertise are available at or accessed by the school?

The services used by the school include:

- Integrated Prevention Service
- MEND
- Onside
- Young Carers
- Freedom Programme
- Triple P Parenting
- Sollihull Parenting
- West Kent Lifeways Housing
- CAB - Citizens Advice Bureau
- CAP - Christians Against Poverty
- Counselling Services
- KDASH
- Attendance
- CAST / CAMHS
- Paediatricians
- Kent Autistic Trust
- Chatham Charities
- Trussell Trust Food bank
- Autism Outreach Forum
- Educational Psychologist
- CAST (Child & Adolescent Support Team)
- CAMHS (Child & Adolescent Mental Health Service)
- Action for Families
- Targeted Youth Support Panel
- Integrated Prevention Service
- 'The Bridge'
- AAP (Attendance Advisory Practitioner previously known as Educational Welfare Officers)
- PASS (Physical & Sensory Service) to support pupils with hearing/visual Impairment
- Inclusion Team
- Social Care
- Children's Therapy Team (Speech & Language/Occupational Therapy)
- MAGIC (Medway Autism Group & Information Centre)
- Community Child Health at Medway Hospital (Paediatricians)
- School Nurse
- Army Welfare Service
- Childminders and nurseries
- Smoking Sensation
- Midwives
- Health Visitors
- Breast Feeding Support
- Dad's Toolbox (Groups to support Dads emotionally)

- Holiday Groups
- Back to Work Groups
- Mid Kent College
- University of Kent
- Medway Council

7. What training have the staff supporting children and young people with SEND had or are having?

- Teaching staff receive regular training opportunities related to SEND.
- AEN clinics are held every term which provide staff with opportunities for bespoke training in personalised strategies
- Newly Qualified teachers receive induction in aspects of SEND and have opportunities to review their development throughout the year
- Teaching Assistants have a 3 year training plan
- Specific members of staff have personalised areas of expertise such as speech and language, motor skills, EAL, social and emotional and behaviour management

8. How will my child be included in activities outside the classroom including school trips?

- Activities and school trips are available to all
- Risk assessments are carried out and procedures are put in place to enable all children to participate
- However, if it is deemed that an intensive level of 1:1 support is required a parent or carer may be asked to accompany their child during the activity

9. How accessible is the school environment?

- As a school we are happy to discuss individual access requirements
- Ramps into school to make the building accessible to all
- Toilets adapted for disabled users
- Single storey site
- We have an Accessibility Plan which is reviewed annually by Governors

a. How will the school prepare and support my child when joining Brompton-Westbrook Primary School or transferring to a new school?

Brompton-Westbrook Primary School understands that moving schools can be unsettling and we have a lot of families who have experienced high levels of mobility. Therefore many strategies are in place to enable the pupil's transition to be as smooth as possible.

These include:

- Parents are offered a tour of the school to ensure that we are the right choice for their child. This includes sharing information about our mission, vision and values and identifying areas of risk that may require further support
- Communication between the previous or receiving schools prior to the pupil joining/leaving. This includes details about pupil performance, need and previous support.
- All induction paperwork is reviewed by AHT and class teacher to ensure that the pupil is correctly placed and targets are set consistently. Should an induction meeting be required, key members of staff will contribute.
- Home visits are made as and when required and all local pre-school providers are visited by school staff for pre-induction information sharing.
- Transition and induction arrangements can be personalised to meet need.
- All year 6 children attend local transition sessions arranged by the secondary schools. Further sessions are arranged for vulnerable pupils.

- Information is shared through documentation and meetings and secondary school staff visit pupils prior to them joining their new school.

10. How are the school's resources allocated and matched to children's special educational needs?

- The SEN budget is allocated each financial year. The money is used to provide additional support, resources or training dependant on pupil need.
- Additional provision is allocated at pupil progress meetings, AEN clinics or following a CAF / professionals meeting.
- Pupil Premium payments are used to support pupils' learning.

11. How is the decision made about how much support my child will receive?

- Termly pupil progress meeting ascertain the level of support a child receives
- When a pupil has needs related to more specific areas of their education, such as spelling, handwriting, numeracy & literacy skills etc. they will be placed in a small focus group or receive precision teaching. This will be planned by the teacher and delivered by the teaching assistant. The length of time of the intervention will vary according to need but will generally be for a term. The interventions will be regularly reviewed by all involved to ascertain the effectiveness of the provision and to inform future planning.
- During their school life, if further concerns are identified due to the pupil's lack of progress or well-being then other interventions will be arranged.

12. How will I be involved in discussions about and planning for my child's education?

All parents are encouraged to contribute to their child's education.

This may be through:

- discussions with the class teacher
- during parents' evenings
- during discussions with the inclusion team or other professionals
- other meetings such as CAF and Annual Review (for children with a statement of special educational needs / EHC plan)

13. Who can I contact for further information?

If you wish to discuss your child's educational needs further please contact one of the following:

- Your child's class teacher
- Mrs Liddle -FLO
- Mrs Karen Price -AHT Personalised Learning
- Mrs Sue Mason – Head Teacher
- All of these above may be contacted through the office or via email (bromptonoffice@thewestbrooktrust.org)

Admissions

Brompton-Westbrook's over subscription criteria includes children with health reasons for attending the school. Medical evidence must be provided which demonstrates a specific health reason which requires a child to attend the school.

Children with AEN are not discriminated against under the school's admission policy.

Access Arrangement – see school's accessibility plan.
