

Topic Homework:

To be completed by Friday 6th July

Romans

Your task is to design your own mosaic. Below are some examples of Roman mosaics from http://www.bbc.co.uk/history/ancient/romans/mosaics_gallery.shtml. Do some research into what mosaics were and how they were made. Look at the kinds of pictures the Romans used and where they used the mosaics in their buildings and houses.

Your mosaic could be on squared paper or you could cut out squares from different materials and stick them onto card. Try to make your mosaic colourful and the picture within it clear.

Useful websites

Linguafun—for French practice. Log in Bromptonpupil, Password—me75dq
