

# Year 1 Writing and Topic Homework:

To be completed by Friday 20th July

Writing non-negotiables:

- I can write my letters carefully so people can read them
- I can use words like and, but, because in some of my sentences
- I can use full stops and capital letters in my sentences

## Step 1

A new type of underwater creature has been discovered. Design a poster board to tell people about this new creature. You could draw or paint a picture, use collage materials, construction kits or an idea of your own.

## Step 2

Give the new Sea Creature a name. Can you make it striking so that it stands out on your poster board?

## Step 3

Write sentences to describe your new sea creature. What does it look like? What does it eat? How does it move? How does it behave?

## Step 4

Create a word search for the class with lots of different sea creatures hidden in the word search. Remember to write a list of the words that we need to find.
