

Year 1 Snow Home Learning

Activity 1

- Write down your numbers as far as you can.
- Ask an adult to check them for you and practise any that you have written the wrong way around.

Activity 2

- Write 10 different numbers on separate pieces of paper.
- Turn the paper over so that you can't see the numbers.
- Turn over 3 numbers. Put them in order from the smallest to the largest.

Activity 3

- Write down all the pairs of numbers that you can think of that make a total of 10.

Activity 4
