

Topic Homework:

To be completed by Friday 13th October 2017

In terms one and two the children in LKS2 are looking at the development of farming during the time of the Ancient Britons. They will be studying the Stone Age, Bronze Age and Iron Age and the changes to lifestyles during that time.

We would like the children to build a model that represents something from that period. It could be:

- A home from the time (use Skara Brae to search images/ websites)
- A henge (like Stonehenge-there are many others)
- Tools from the time
- Jewelry from the time
- A barrow (burial mound)

There are many things that could be made. It is up to you how you create it. You can use any materials that you like. Be creative!

There are many sites that show examples of life during the period. Some useful ones are:

<http://www.bbc.co.uk/scotland/learning/primary/skarabrae/>

http://www.bbc.co.uk/history/ancient/british_prehistory/launch_gms_ironage_life.shtml

http://downloads.bbc.co.uk/history/handsonhistory/ancients_circle.pdf

If you have any questions please do not hesitate to see one of the LKS2 teachers.
