

## Homework Grid –term 3 – Brazil

Complete two tasks-one **MUST** be from the **Creativity** row.

Please make sure they are all handed in by the due date: Friday 2<sup>nd</sup> February 2018. You should hand in 2 pieces altogether.

If you have other ideas you wish to do-please talk to your teacher.

<b><u>Creativity</u></b>	Find out what a traditional Brazilian meal is like, get the ingredients and cook this at home. Get the people that shared the meal with you to rate the meal. Don't forget to take a photo!	Create a model of the favelas, put labels around your model to show the characteristics and the quality of life in the favelas.	Create a rainforest model showing the different layers. Put labels on your model to show what characteristics the different layers have.
<b><u>Research</u></b>	Research what life in the favela would be like and create a diary entry of one of your typical days.	Compare an area of Brazil to where you live – you could compare the rainforest, the favelas or an area of your choice.	Produce a tourist itinerary of where people should go while visiting Brazil. Where are the highlights, what are the key things they should see/ do?
<b><u>Skills</u></b>	Annotate around a map of Brazil, find out some information on the different areas. Could you find different types of maps rather than just outline maps, for example a relief map?	What do you think the top 5 threats facing Brazil are? Rank these and explain why you have put them in that order.	Find out more about what food Brazil exports. Visit your local supermarket and see what Brazilian food you can find.
