

# July Children's Newsletter

## Brompton-Westbrook Primary School

This term has been extremely busy for all years at Brompton-Westbrook. Read on to find out more! This term's newsletter has been written by Hikmah, Freya, Emma, Maddie, Maddison, Amirah, Grace & Chelsea.

### NURSERY

Last week the nursery children have taken part in sports day. Everyone joined in and cheered for their team, even the parents and toddlers had a race too! The children have also been learning about dinosaurs. They used junk donated by the nursery parents to make their own dinosaurs models. They learnt how to mix colours together to make a new colour. 'I want to make orange' Dylan said 'I need yellow and red to make orange'. Thank you to our team of parents who have transformed our boat side garden. The children have contributed this week during our 'Environment day' by sorting out the shed and making colourful wind spirals.

### RECEPTION

This term Reception have been very busy learning all about animals, they have even been to see animals at the zoo! During their P.E lessons Reception have spent lots of this term practising for their sports day. They have also started to think about moving on and preparing for moving to Year One. In maths, they have been ordering numbers, telling the time and measuring. In RWI they have been writing about their upcoming trip to the zoo and also writing about sports day.

## YEAR 1/2

This term Year 1 have been learning about javelin in P.E. In maths, they have been doing subtraction and number sequences. They have also practised singing with Mr MacDonald. Summer in 1B quotes, “In numeracy, I have been adding up numbers. I like numeracy. I have also been learning to sing “Under the Sea.” In science, we have been learning why some materials leak. The paper, for example, leaked when we put a liquid on it; it got soggy, I found it enjoyable.”

In Year 2, they have been learning about how sunflowers grow in topic. During maths, they have been taught adding and subtraction. They have been learning about famous Victorians like Charles Dickens and Queen Victoria. Abdulrahman says, “We got to plant our own sunflowers, which was very interesting.”

## YEAR 3 / 4

This term Year 3 and 4 have been learning about the Romans, looking at the victorious Roman legacy, architecture and Roman numerals—they have even learnt a song about the Romans! In French they have learnt how to say different types of food and drink. In science they have been creating sand. During their P.E lessons they have been practising their rounders skills, hockey and changes in PSHE. Amelia said that she really enjoyed learning about the Romans because she found them interesting. Some children also went on an overnight residential trip to Arethusa where they took part in many fun activities such as rock climbing.

## YEAR 5 / 6

Year 5/6 have been quiet after the SATS. Year 6 were rehearsing their play—Robin Hood and the Sherwood Hoodies, which was a great success! Year 5 have also been singing for the production. Year 5 did an outstanding job. Year 5 and 6 have also taken part in an enterprise project where they designed their own products to sell! Year 6 made £90 profit! Grace said the enterprise project was “fun and exciting!” It will contribute to the cinema trip and the prom; Year 5 will be selling their enterprise products at their market soon. However, soon we must say goodbye to the Year 6 as they will be leaving next Friday. The leavers’ service will definitely be emotional as well as happy as they plan to move on to secondary school. Harry said, “I enjoyed doing the production. It was really fun to perform!”
